CRITICAL ISSUE STATEMENT

(This must be typewritten on this page)

MISS _____
(Official Local Title)

This will be used for publicity and judges' books. These statements are intended to give a Miss Arkansas contestant a platform involving one (1) critical issue that affects society in general or women in particular. To provide credibility we believe this issue should be one that a contestant has expressed an interest in and / or a concern about prior to her selection as Miss Arkansas (and possibly Miss America). We will derive a question from your issue, and that question will be given to you on Saturday night, should you be in the Top Ten.
